

Make a **DIFFERENCE**

Our supporters, the Herald, Star, Maitland Mercury & HunterLifestyle Magazine will help promote the support from our generous donors.

With our digital and social media reach, we will showcase those businesses that support us to raise much needed funds for Hunter women.

Our sponsorship packages come in all sizes. We will customise the publicity to suit your needs.

THE SECRET

Garden Party

.....
29 October 2016

**SPONSORSHIP
PROPOSAL**

HOPE4CURE

The one thing Trish Paul wanted as she battled Stage IV ovarian cancer was to support other Hunter women.

Our vision is simple, to honour Trish's wish to support local women and their families experiencing ovarian and gynaecological cancers.

Hope4Cure was established in her honour to provide financial assistance to families and health services in the Hunter Region.

HELP WHEN NEEDED

Our goal is to provide caring support to Hunter women. This includes providing home help, funding towards essential medical equipment in Hunter hospitals, supporting affiliated programs and funding ongoing cancer research.

GENEROSITY

Everything that Hope4Cure is able to do, is because of the generous support of our sponsors (financial and in-kind) as well as our volunteers, family, friends & the wonderful people that get involved in one of our events.

CAN YOU KEEP A SECRET??

Our major fundraising event for 2016 is to be a luxurious and romanticised soiree.

The *Secret Garden Party* will be held in the picturesque grounds of a heritage property in the Maitland area.

We're keeping the venue a closely guarded secret because we want to whisk up to 200 people away for an adventure, sampling local produce and supporting local businesses. What we can tell you is that it will be a relaxing evening of entertainment, delicious food and fantastic Hunter wines.

Garden seating & lounges will meander around the gardens for people to relax & enjoy the event.

CAN YOU HELP?

We are constantly amazed at the generosity of local businesses. This event is about putting them on show - supporting each other & having fun doing it. We're looking for a range of supporters:

Major Sponsors - Gold, Silver or Bronze People to help cover the costs of hired equipment, entertainment & food/beverages Businesses to donate goods, services & vouchers for prizes on the night

All donations will be generously received & contributions recognised through promotion, print & digital media.
